Sample Succulent Display Rack

All shipments are FOB Maryville, Tennessee. All racks must ship with full shelves - 4 shelves (8 - 1/2 shelves). **Minimum order is \$600.00.** If combining racks with boxed items you must have a minimum of 6 boxes and the shelves on the rack still must be full. Customer must be able to accept a semi and have a forklift to unload at time of delivery. All shipments are FOB Maryville, TN.

Visible damage to racks or boxes must be noted with driver at time of delivery. Claims must be reported within 48 hours of receiving shipment.

We reserve the right to substitute similar items if needed unless specified by customer.

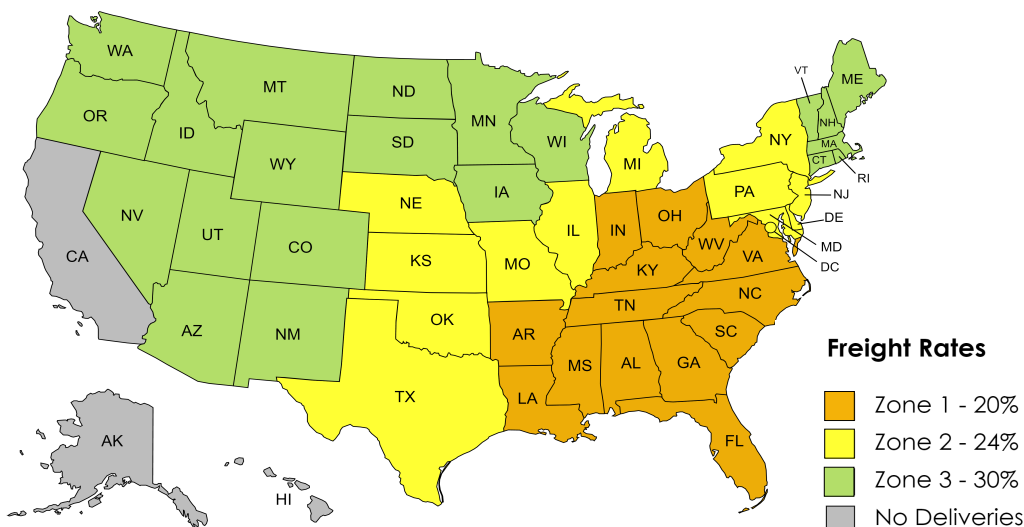

**The freight cost is a percentage of the order amount shipped via FedEx Freight.
It is based on a freight average for different regions. See Map Below.**

Pope's Freight Rates

We ship FedEx Freight and always ship on Mondays. Rack and box orders have the same freight rates. Boxed orders ship on pallets, not loose boxes.

Customers must have a forklift to unload both for rack and boxed orders. If customers do not have a forklift, they require a liftgate, and we must know in advance. The liftgate charge is \$75. If we don't know about the liftgate in advance, FedEx must take the shipment back and reship on a different truck, charging an additional \$150.
