Popes Plant Farm Succulents.

Pope's Plant Farm is a family owned and operated farm with 2 growing locations in eastern Tennessee near Knoxville. At the core of our program is a huge selection of succulent varieties. We source cuttings from all over the world to find the best genetics. All the succulents are grown and combos planted at our farm in Tennessee.

Racks or Boxes

Succulents can be shipped on a wooden display rack or in boxes on a pallet. The pricing is the same either way you ship. The difference is flexibility. **Racks have 5 shelves**, and are ordered in units of **10 half shelves**. You can order one rack or several, but **each rack must ship full**. With boxed orders, as long as you're above the minimum order, you can size the order to best fit your needs. All our items ship in a box, but only about 90% will ship on a rack.

We have separate order forms for Racks and Boxes. You can ship both a rack and some boxes, but it must be at least 6 boxes and the rack must still ship full.

The order minimum for both Racks and Boxes is \$1000.

Rack Shipping

- Easy to display
- POP included
- Great dollars per square foot in high traffic areas
- Choose a pre-set rack or create a custom one.
- Racks must ship full
- Choose 10 half shelves
- Some items cannot ship on a rack.

Box Shipping

- Boxes ship stacked on a pallet. We don't ship individual boxes.
- Anything can ship in a box.
- More flexibility in ordering.
- Lower quantity per item means a wider selection for the same price.
- Large items ship 1 or 2 per box

Advanced Orders

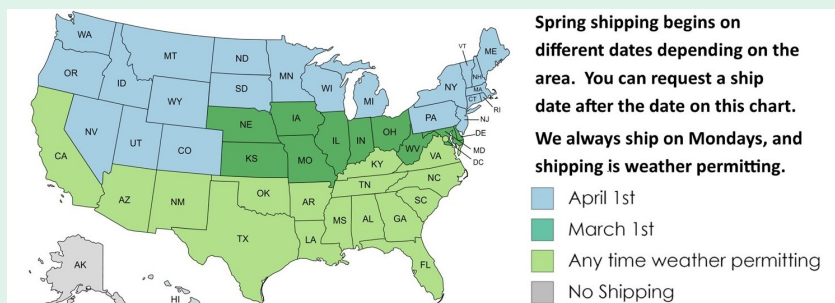

This catalog is an overview of the product we will have for Fall 2022 through Spring 2023. Please use this to place advanced orders for that time period. Be aware that the actual availability may change due to shipping or production issues. We will communicate if any substitutions to your order need to be made.

In Season Orders

We send out availabilities every weekend for in season orders. If your order is final by Thursday at 5pm Eastern, we ship the Monday 12 days later.

Shipping

We ship FedEx Freight. Spring shipping is weather dependent and will start sooner in the South than it does in the North. The map below will show you the earliest ship date for your state. We always ship on Mondays.

All shipments are FOB Maryville, Tennessee. **Customers must be able to accept a semi and have a forklift to unload at time of delivery.**
