## Hey Folks

As we celebrate 30 years in business at AG 3, it's only fitting to thank our great customer and vendor list for all you've done. From our humble beginning of renting a small lab on Lake Apopka to building our current lab in Eustis, we couldn't have made any of this happen without you. Our customer base, made up of every size and diverse group of growers and collectors, have not only purchased plants to help us grow but also have sent some very unusual plants and ideas keeping us excited about the industry. Without our vendors and consultants, we couldn't have made any of this successful. Local and long distance individuals and companies that helped us grow with new and exciting ideas that have kept us thinking.

Having parents encourage me to continue my love for plants certainly is a push in the right direction. Giving me the opportunity to attend Dupage Horticultural School opened my eyes to a much larger industry than I expected. An internship to Florida in the late '70s introduced me to my great friend and mentor, J Guy. His passion for plants, knowledge, and unlimited energy was infectious and pushed me to another level. Thank you J.

A family business can be tough to navigate. Working with my mother and wife sounds like it could be rough at times. It was! Without them we would not have made the last 30 years or be continuing on to many more.

"Find something you like to do and you'll never work a day in your life."  
This still holds true today.

Mike

# BREEDERS

# Terms & Conditions

**TERMS (Wholesale Only)** Accounts are done strictly on a prepayment or C.O.D. basis, unless prior approval has been obtained. Credit can be arranged by submitting a credit application for processing. Any application not completed and signed will not be considered for approval. Please allow a minimum of 30 days for credit approval. For customers with approved credit, invoices are due on a 30-day net basis. We reserve the right to terminate such terms pending nonpayment of account. This includes the right to cancel open orders on any past due accounts. Past due accounts will be subject to service charges assessed at the rate of 1.5% per month on any balance over 30 days. Customers agree to pay any and all collection expenses. This includes attorney fees and court costs should they be necessary to effect the collection of your account. A fee of \$35.00 will be charged for all returned checks. For your convenience we accept MasterCard and Visa.

**CONDITIONS** All plant material is inspected prior to shipment and is in good condition when accepted by the respective transportation company. All plant material should be inspected upon arrival. Any problems with the quality, quantity, or condition of the plant material must be reported. Claims must be made within 48 hours by fax, telephone or email after receipt of goods. A digital image of product is required on all claims. AG 3 reserves the right to have plant material returned to us prior to honoring any claims. If your shipment is damaged during transit, then you need to take pictures and report it as soon as possible to the carrier. AG 3 will not be responsible for damage to plant material incurred during transit, including damaged boxes, smashed plantlets or plantlets out of cells due to rough transit. AG 3 reserves the right to have plants that are associated with a claim returned.

**PRICES** List prices are in U.S. Dollars, F.O.B. Eustis, Florida and for the wholesale trade only. Prices are effective July 3, 2023 and are subject to change without notice. Prices stated do not include shipping and handling charges. Boxing charge for up to 3 trays is \$9.25 and winter pack is \$10.45. Boxing charge for 4 to 6 trays is \$12.25 and winter packing is \$15.25. **There is a 1 Tray minimum order. No Partial trays.**

**DOMESTIC SHIPPING** **We ship to the U.S. and Canada only.** There is an inspection handling fee of \$50.00 per order that requires inspection. Phytosanitary inspection fees are \$65.00 per order and are subject to change without notice. Phytosanitary inspection fees and other inspection fees required by US states are the responsibility of the customer and subject to change without notice.

Shipping expenses incurred by LTL carrier, UPS, Federal Express, Air Freight or by any other means is the sole responsibility of the customer. If an order is required to ship by means of Air Freight, AG 3 must be given the airline and airport code. In the event that misinformation is given to the wrong destination airport, additional freight charges may be incurred and added to the invoice. The customer must provide their desired means on freight transportation. Due to our experience with 'Ground' shipments, AG 3 can not accept claims for plants shipped by this method.

# Terms & Conditions

## GENERAL

Contract propagation is available. Please contact us for further information on this service. Patented or trademarked items may be subject to royalty payments or restricted to licensed growers depending upon agreements with patent or trademark owners.

Please visit our website at [www.ag3inc.com](http://www.ag3inc.com). We have a complete listing of all of our plants produced, including color pictures, cultural guidelines and prices. The site also includes new plant introduction and current availabilities. You can also follow us on Facebook at [www.facebook.com/ag3inc/](http://www.facebook.com/ag3inc/).

## GUARANTEE & LIMITED LIABILITY

At AG 3 we strive to produce quality material that is true-to-type. In the event that any of our plant products (stock) is proven to be untrue to its name as labeled for slow growth, non-producing plants, off types (mutations) our liability is exclusively limited to replacing the material free of charge or refunding the purchase price. AG 3, Inc will not be liable for consequential damages or for any amount more than the actual purchase price for the plant material. No warranties, either expressed or modified, including the warranties of merchantability and fitness for a particular purpose, are extended.

### *Mission Statement:*

*AG3 offers a unique diversity of tissue culture plants for widespread distribution, and strives to enhance the success of our customers.*
